

Jay Snyder

Jay Snyder has been active in the community since 1982 when he moved to Nampa from Pennsylvania. Jay enjoys being a husband, father, and Poppa to 3 grandsons.

He works as a Business Development Manager in the Modular Housing Industry. His areas of specialty include project management, business development, and general construction. Jay was instrumental in the formation and management of the Downtown Nampa Community Association (DNCA) when, in 2019, he was named as the first full-time executive to run Nampa's Main Street Program. He and his wife have owned and operated several local businesses and has served as a board member of numerous non-profit organizations.

As a taxpayer in Nampa for over 40 years Snyder says he is excited at the possibility of a way to pay for our venue improvements at no cost to Nampa residents. He looks forward to the opportunity to serve the Nampa community with his experience and problem-solving abilities.
